To All Parents

**Re: Parent Advisory Board**

Peace of Christ!

The Parent Advisory Board for 2026–2027 comprises the individuals currently serving as Parent Guild President, Treasurer, and Secretary. The Board serves as a liaison between parents and the St. Paul's High School Board of Directors and welcomes questions or concerns from parents.

The Board of Directors is responsible for school governance and does not manage day-to-day operations. Operational matters should be addressed through the school's established channels of communication with teachers, staff, the Principal, Vice-Principals, and the President, as appropriate. The Parent Advisory Board does not replace these channels.

If you have a matter that you believe should be brought to the attention of the Board of Directors, you may contact the Parent Advisory Board. Please submit your concerns in writing, with your signature and contact information, addressed to:

*St. Paul's High School  
Parent Advisory Board*

Correspondence may be delivered to the school office, which will forward it to the Parent Advisory Board.

If you have any questions about this process, please feel free to contact me by phone or email at the school.

Sincerely,

Bob Lewin  
President
