

August 2026

Dear Parents, Guardians, and Students,

Welcome to the 2026–2027 school year at St. Paul's High School, our Centennial year.

As we begin this historic year, we do so with gratitude for the generations who have shaped our school and with a renewed commitment to our mission of forming *Men for Others*. We also begin the year remembering Jeff Laping '89 and honouring his enduring legacy. With humility and deep respect for Jeff and all that he contributed to our community, I welcome each of you to St. Paul's and to the year ahead.

Please review the enclosed student timetable and accompanying materials. Additional information about opening week, dress code, school supplies, bell schedules, calendars, and school communications is available on the St. Paul's news blog at www.stpauls.mb.ca/news. Please be sure to visit the blog, as some information has not been printed as part of our effort to reduce paper use. The blog is updated every Friday throughout the school year, and I encourage families to bookmark it for easy reference. For your convenience, the following page provides a snapshot of the first week of school.

Our Centennial year will offer many opportunities to celebrate the history, spirit, and mission of St. Paul's. I warmly encourage all members of our community to participate as we mark this important milestone together.

Thank you for your trust in St. Paul's and for the many ways you contribute to the life of our school. I look forward to celebrating our Centennial with you and welcoming our students back in the days ahead.

God bless,

Bob Lewin

SCHOOL COMMUNICATION

Communication is a vital part of building trust and the quality of relationships necessary to form the kind of learning community we strive to build at St. Paul's. One of the most vital communication links is the one between home and school. That is, with what is best for your son in mind, it is important there is open and honest dialogue between home and school.

Parents wishing to speak with a staff member should call the school's main phone line, 204-831-2300, and follow the recorded instructions to leave a message. Staff members' email addresses are accessible via the PowerSchool Portal. In general, parents can expect a reply within 24 hours of making an enquiry. If after several tries you have not received a reply to a message please feel free to contact the Principal.

POWERSCHOOL PORTAL

The PowerSchool Portal allows parents/guardians/students to view their son's attendance records, current grades, and details of past and future assessments. The Portal is available throughout the school year except the days leading up to Progress Reports in November and April and during the two exam periods in January and June. We encourage parents/guardians/students to use the Portal as a tool to monitor progress, set goals, and stay on top of deadlines.

2026/2027 School Year Information

The Portal is viewable using any web browser on a desktop/laptop computer or mobile device. PowerSchool has an App, PowerSchool Mobile, to access the Portal on mobile devices.

After downloading the App on your mobile device, you will need to enter the **District Code: PBXQ** to access the Portal for St. Paul's High School.

Returning parents already have active PowerSchool accounts. If you have a new student this school year, he has already been added to your existing PowerSchool account. Please contact Jason Hurton if you require assistance accessing your account.

New parents: PowerSchool account information is included in this welcome package.

SCHOOL ATTENDANCE

Daily school attendance is critical to student success and formation. **In addition to attending regular classes, participating in school liturgies, assemblies, retreats, and school activity days are compulsory for all students.** The school expects all students to attend these events as they are integral to our school's mission and building community at St. Paul's. Please avoid scheduling appointments or excusing your son's absence from these events. Where possible, days with late starts for students and no school days should be used for appointments or activities that would otherwise result in school absences. The school strongly discourages planning family trips or other activities that result in multiple-day absences while school is in session.

Click [HERE](#) for a list of key dates for the 2026–2027 school year.

Reporting Student Absences

Please use SchoolMessenger or call **1-833-566-1229** to report student absences and other times when your son may need to leave during the school day. SchoolMessenger allows parents to enter departure and return times or to report full-day absences. Call the school's general line, 204-831-2300, if SchoolMessenger or the phone number above are not working.

Onboarding instructions for [new parents](#) are included in this welcome package.

Click [HERE](#) for detailed instructions for using SchoolMessenger.

2026/2027 School Year Information

Student Appointments

When appointments during the school day cannot be avoided, students are to report to the Reception Desk just prior to leaving for an appointment and they are to report back at Reception if/when they return to school that day. The school will not interrupt classes in session to call a student out for an appointment except in the case of a serious emergency. Otherwise, the student will be called to the Reception Desk at the next class break. This policy is in place to maintain a positive learning environment free from disruptions.

Planned Absence Requests

Requests for planned absences of three or more school days are made to the VPS using a Planned Absence Form. Planned Absence forms are available at the front desk, or the office of the VPS. Students are expected to write exams at the end of each semester as scheduled. Planned Absence procedures are available in the [Student Handbook](#).

COURSE CHANGES

Student timetables are included in this welcome package. Course changes will be available during the opening days of school. Students may request Semester 1 course changes through their counsellors until Monday, 28 September. The course change deadline for Semester 2 courses is Monday, 22 February.

Course Change Procedure

- Students are required to meet with their counsellor to discuss possible course changes. Students are welcome to discuss available courses with the VPA prior to meeting with their counsellor.
 - With their counsellor's help, students will complete a Course Change Request Form. Students will have to obtain permission for the course change either by having the form signed by their parents or by having the counsellor confirm the change with a parent over the phone.
 - The completed form must then be submitted to the counsellor. Upon receiving a course change request, the VPA will either approve the request and arrange for a new timetable, or if the request is not approved, return the form to the student's counsellor. Approval is usually a factor of space availability in the desired course or compatibility with the other courses in a student's academic program.
 - If a course change request is approved the student can view his revised timetable through the PowerSchool Mobile App. Additionally, students may request a printed timetable in the VPA office.

TRANSPORTATION AND PARKING

Dropping Off / Picking Up Students

Students are to be dropped off or picked up at either the Student Parking Lot located off Bower Boulevard or the MultiPlex Parking Lot located off Holland Boulevard.

In both cases, please enter the parking lot and then loop through the entire lot one way to ensure the orderly flow of traffic and reduce the risk of an accident. Please do not stop in the middle of the lane, but instead, pull forward as much as possible, stop briefly to allow your son to exit your vehicle, and then exit safely.

Exiting Parking Lots

When exiting either parking lot, please remember it is a right turn only. The Winnipeg Police Service will ticket drivers who turn left in violation of the right turn only signage.

Students may be dropped off on Laidlaw Blvd. and then walk across Grant at the crosswalk. Please remind your son to be careful using the crosswalk.

Parking Expectations

- Do not drop-off and pick-up on Holland Boulevard.
- Do not drive into the Faculty parking area located off Holland Blvd.
- Do not drive into the front entrance parking loop off of Grant unless you (parent) are coming in to the school.

We have determined that it is unsafe for students to be dropped off in the above areas of the school property. Our community neighbours living on Stanford Bay and on Laidlaw Blvd. have requested that individuals drive carefully and not drive into or block driveways.

Please also note that the south drive running west to east behind the main school building is a ONE WAY drive starting from Bower Boulevard heading east toward Holland Boulevard until it reaches the area just past the MultiPlex and Angus Reid Wing. The only exception allowed is for staff who park behind the building who are traveling in either direction prior to 9:00AM.

Parking Passes

Students driving to school and parking on campus will require a parking pass. Student parking is limited to the Student Lot or the MultiPlex Lot, as designated by the Vice Principal Students (VPS). Parking tags must be displayed whenever the vehicle is parked on school property. Unregistered vehicles are subject to being fined or towed. The parking pass form is available from the VPS.

2026/2027 School Year Information

Bicycles

Students using bicycles must lock them in the racks adjacent to the Student/MultiPlex parking lots. We advise that students use chains to secure their bicycles and not insulated wire locks that can be cut. Please remember bicycles are not allowed in the school. Violators' bicycles may be impounded by the VPS.

GRADE 9 PARENT ORIENTATION: THURSDAY, 17 SEPTEMBER, 6–8PM

Parents of Grade 9 students are warmly encouraged to attend this special evening. It is a wonderful opportunity to meet your son's first-semester teachers, connect with other new parents, and learn how you can support your son throughout his education at St. Paul's. Students do not need to attend.

Please note that this evening is specifically for parents of Grade 9 students; there is no separate orientation evening for parents of new students entering Grades 10, 11, or 12.

Further details will be emailed to Grade 9 parents in advance of the evening.

WELCOME TO THE 2026–2027 SCHOOL YEAR

We look forward to welcoming students and families to St. Paul's for the new school year. We hope the information in this package helps everyone feel prepared for a smooth and successful start.

If you have any questions before the opening of school, please contact the Front Office at 204-831-2300 or contact-us@stpauls.mb.ca.

We look forward to seeing you in September!

SchoolMessenger Account Set-up Instructions

SchoolMessenger is St. Paul's High School's communication tool for reporting student absences, including appointments during the day, late arrivals, or early departures from school. In addition, SchoolMessenger is used to inform parents/guardians when students are absent and have not been reported absent by a parent/guardian and for emailing school communications.

St. Paul's High School requires that each student has at least one parent/guardian registered with a SchoolMessenger account for the purpose of reporting school absences.

If you already have a SchoolMessenger account from a previous school or because you already have a student at St. Paul's, your new St. Paul's student will be added to your existing account. If your new student does not appear in your account, go to the "Contacts" section in SchoolMessenger and click the sync button. Otherwise, please sign up for a SchoolMessenger account using the steps below.

Sign up for a SchoolMessenger Account

1. Go to <https://go.schoolmessenger.ca/#/account/signup>. You **MUST** use the same email address registered in the St. Paul's High School PowerSchool Portal. If you need to verify your email address, log into the PowerSchool Portal and click Account Preferences. **NOTE: personalized information to initialize your PowerSchool account will be included in your mailing.**
2. Once you sign up, you will get a validation message sent to your email address. You must follow the link in the email to verify your account. Check spam and junk folders for this email if you do not receive one right away.
3. Once you have activated your account, you are ready to log into your account.
4. On first login you may be presented with a pop-up window to "consent to call" the phone numbers we have on file. You can choose whether to allow telephone calls to the numbers indicated. You must select at least one telephone number for School Hour and Non-School Hour emergency type messages.
5. When logged in, click the menu (upper-left) and click "Preferences" to set your notification preferences.
6. Select the notifications you wish to receive for each message type. SMS, Email and Telephone should all be available options. Green means notification is on, grey means notification is off. Click "Save" after making changes.
7. Optional: Download the SchoolMessenger app from the App Store (iOS) and Google Play (Android). Use the email address and password you used to sign up to login to the App.

The above options are available 24 hours/day, 7 days a week. Future absences may be reported at any time. **SchoolMessenger will not allow absences of 3 or more consecutive days to be reported.** In this situation, please call the school at 204-831-2300 to report absences and for further guidance.

Please note that absences reported using SchoolMessenger may not be synchronized with PowerSchool until the daily attendance is reconciled at the end of each school day. Whenever possible, please submit student absences through SchoolMessenger no later than 8:00 a.m. on the date of the absence. Please wait until the following calendar day to contact the school if PowerSchool is not reflecting the absence details you submitted using SchoolMessenger.

Planned Absences

For planned absences, please submit a Planned Absence Form available at Reception or from the Vice Principal Students.

Thank you for your cooperation in this matter. I hope you will find SchoolMessenger an effective and streamlined method for communicating with St. Paul's High School regarding student absences. Please contact the school, contact-us@stpauls.mb.ca, if you have questions about this process or require assistance signing up for your SchoolMessenger account.

We, the members of the counselling department, are looking forward to building positive relationships with your family over the next four years as we work to support your child's growth and development.

We are excited to extend a warm welcome our new students with a day of fun and an opportunity to meet other students in a relaxed environment at Camp Day, held at **Camp Manitou on Friday, September 18th**. Activities will be supervised by camp staff as well as St. Paul's teachers, and will include engaging experiences such as a climbing wall, zip-lining, archery, kayaking/canoeing, team games, biking and a low ropes course.

Students will meet in the Cass Gym at St. Paul's at 8:30 a.m. (regular school start) and depart shortly thereafter by school bus. The route is 12.5 km and should take approximately 15 minutes. Return buses will leave the camp at 2:40 and should arrive back at St. Paul's at approximately 3:00 p.m for an early dismissal. An "all you can eat" pizza lunch will be provided. However, if your child has dietary restrictions/preferences, please have him pack a bagged lunch. Students should **bring a refillable water bottle** for use throughout the day, as well as **a beverage for lunch**. Students are welcome to wear casual dress but should be prepared to stay outside all day. Depending on the weather, dressing in layers, a hat, and sunscreen may be wise.

There is no cost to parents for this outing.

The [permission slip and waiver](#) form must be completed before Tuesday, Sept. 8th.

If you have questions, feel free to contact your son's counsellor once school begins.

ST. PAUL'S HIGH SCHOOL PARENT GUILD

Dear Crusader Families,

On behalf of the Parent Guild, I would like to extend a warm welcome to all new and returning students and families.

The Parent Guild plays a meaningful role in enriching the school experience—supporting events, building community, and fostering the strong spirit that makes our school so special. Getting involved is a wonderful way to meet other families, build friendships, and deepen your connection to our shared mission.

The mission of SPHS Guild is threefold:

1. Promote the goals and objectives of SPHS through service and hospitality
2. Encourage parent participation in general school life
3. Enhance the school environment for students, parents, and staff

The Guild supports over 25 events throughout the school year and that would not be possible without those that generously donate their time. I encourage you to get involved this year, no special experience is required—just a willingness to participate and be part of something meaningful.

Mark your calendars for our AGM and first Parent Guild meeting of the year – Wednesday September 16th at 7-pm in the Aulneau Room. We hope to see you there!

Wishing you and your family the best for the school year ahead.

Sincerely,

Kelly Morganti

The 5 W's, Answered

WHEN SHOULD I START?

Immediately! Many of the extra- value activities and events that occur at St. Paul's are a direct result of the tremendous support received from parent volunteers. They could not take place without the commitment of all our families. In addition, the earlier you get involved, the more bonds you form.

WHY SHOULD I GET INVOLVED?

St. Paul's High School Parent Guild provides a chance for families to engage in service and to develop school relationships. This parental involvement will enhance the school experience for the boys, as they become Men For Others.

WHAT WOULD I DO?

The staff and the parent guild organize many events during and after school. The parent volunteers help coordinate food and beverages for these events. Volunteers also help with set up, decorating, selling merchandise in the Cru Shoppe and just being a friendly face.

WHERE DO I START?

Read through the next few pages to familiarize yourself with some of the volunteer opportunities that are available. Scan the QR Code below or click the "Sign Up" button on the school website under the Parent Tab at the top of the Home Page.

BUILDING COMMUNITY THROUGH HOSPITALITY

Always Gathering

As members, all parents/ guardians are welcome to attend the Guild meetings. Meetings are regularly scheduled throughout the year, typically on the 1st Wednesday of the month at 7:00PM. We endeavor to stay within a one-hour time frame. Specific dates can be found on the school website under the Parent tab on the Home Page.

Always Communicating

The Guild keeps its members up-to-date with email messages through "Sign Up". We also send updates that are published in the school's weekly newsletters. We strongly encourage you to check out the school's website and the new Parent page.

Always Helping

Part of the Guild's mandate is to provide ongoing support to those who help promote and run activities and events throughout the year. Each event has a folder of pertinent information on "how-to" organize and run the activity. Guild members are available to answer any questions you may have. Kate Brito, Executive Assistant to the President, is also a huge help to the Guild program.

Ongoing Activities

These are activities that the Parent Guild undertakes all year long.

GENERAL VOLUNTEERS

If you are unsure of your availability, then this may be a good place to start. There are day and evening slots throughout the year. You will be notified via "Sign Up". As time gets closer to an event, you will receive a notification that volunteers are needed. If you can work it into your schedule, then check off your availability. If you're not available, there is no need to reply. It's as simple as that!

HOSPITALITY BAKING LIST

Each year the Guild compiles a list of parents who love to bake. This is a unique volunteering opportunity that provides much-loved home baking while helping offset the Guild's costs for our Hospitality Events.

Notifications will go out during the year and you can sign up to bake for those events that fit into your schedule.

CRUSADER SHOPPE VOLUNTEERS

Volunteers are not required to have cash or retail experience. You can sign up for lunchtime shifts, for Homecoming or special hospitality events.

The Crusader Shoppe offers dress code clothing, spirit wear, bibles, miscellaneous school supplies, lunch cards and candy, The Shoppe is open every school day during the lunch hour and during special events.

Volunteering with the Shoppe is a great way to meet other parents and see the boys during their lunch period.

Ongoing Activities

These are activities that the Parent Guild undertakes all year long.

NEARLY NEW SHOPPE

During special events and parent teacher interviews, our Nearly New team will need a few additional volunteers to help sell gently used clothing. The Nearly New Rack provides gently used Dress Code clothing items and CRUwear that can be purchased at bargain prices. All monies raised go to the St. Paul's Community Christmas Hampers program.

GRADE 9-12 BAKE SALES

These volunteers sell baking during lunch hour. Three to four volunteers are required to run the Grade Bake Sales. Volunteer tasks include setting up the bake sale table, selling the baking, counting the money and cleaning up. (Another group of parents provides the baking).

Grade Bake Sales are held on a selected Thursday in October, November, February and April and provide the students with an opportunity to purchase treats at lunchtime. Profits are donated to the SPSHS Christmas Hamper Program.

CHRISTMAS DECORATING COMMITTEE

Set-up occurs in late November, while take-down happens during the first week back from Christmas Break (prior to the School Open House). This volunteer group is responsible for transforming the front foyer of the school for the Advent Season. The group assembles and decorates two large Christmas trees, arranges poinsettia plants and setting up any additional decor. Dear Students and Parents/Guardians,

Peace be with you!

We, the **Student Pastoral Team**, also known as the SPT, wish to welcome you to the St. Paul's High School community!

All students are invited to join the SPT as we explore what it means to be a religious *Man for Others*. We strive to deepen our own faith in the context of community with our brothers here at St. Paul's. The SPT organizes prayer services, faith-based activities, and many other initiatives that remind everyone on campus about the heart of the SPHS mission: to help build the Kingdom of God.

We have members from all grade levels and all faith backgrounds, and we collaborate with many co-curricular groups throughout the school year. Being part of the SPT is fun, meaningful, and one of the best decisions you can make during your time at the school.

If you wish to become a member of the Student Pastoral Team, please fill out the form below and submit to the Campus Ministry Office, or the Front Office (reception), at the beginning of the school year.

May your time at St. Paul's be fruitful and filled with joy!

Sincerely yours in Christ, and on behalf of all SPT members,

Mr. Christian Martinez
