

CAR POOL

St. Paul's High School is compiling a list of students interested in car pooling for the 2026-27 school year. The list will be categorized according to postal code to enable you to see if there is someone living in your area who is also interested in car pooling. This information will be available to parents and students at the Front Office and may be checked anytime during school hours throughout the school year. Should your plans change, you may add or remove your name accordingly.

If you have any questions, please contact our office at 204-831-2300.
