

# Educating Men for Others

June 21, 2024

Dear Parents/Guardians,

I am writing to provide information about the 2024–2025 school year, the calendar, school supplies, and dress code.

A detailed calendar of events is enclosed to aid families in planning for the upcoming academic year at St. Paul's High School. Please review carefully and note on your family calendar the key dates provided on the following pages. A "year-at-a-glance" calendar and Bell Schedules are also enclosed for your reference and a detailed monthly calendar will be available online in August.

Daily school attendance is critical to student success and formation. In addition to attending regular classes, **participating in school liturgies, assemblies, retreats, and school activity days are compulsory for all students.** The school expects all students to attend these events as they are integral to our school's mission and building community at St. Paul's. Please avoid scheduling appointments or excusing your son's absence from these events. Days with late starts for students (highlighted yellow on the year calendar) and no school days (highlighted orange on the year calendar) should be used for appointments or activities that would otherwise result in school absences. The school strongly discourages planning family trips or other activities that result in multiple-day absences while school is in session.

Please ensure your son is available for all exam dates as indicated. Manitoba Education and Early Childhood Learning requires grade 12 students to write provincial standards assessments in Grade 12 English and Mathematics. Alternative dates are not available for these exams. Alternate exam dates for school-based exams will be granted only under exceptional circumstances and must be approved by the principal well in advance of the exam date.

Additional information about the opening of school, including your son's timetable, will be mailed in late-August. I wish you and your family a safe and enjoyable summer and look forward to seeing you at one of many school events in the coming school year.

Sincerely,

A handwritten signature in blue ink that reads 'B. Lewin'.

Bob Lewin  
Principal
