

ST. PAUL'S HIGH SCHOOL

JESUIT

Wednesday, November 26, 2025

Dear Members of the St. Paul's High School Community,

On behalf of the Board of Directors, it is my privilege to announce the appointment of Mr. Bob Lewin as the next President of St. Paul's High School, effective immediately.

A respected and longstanding member of our community, Bob began teaching at St. Paul's in 1997, served as Principal from 2014, and assumed the role of Interim President on August 1, 2025, following the retirement of Kevin Booth '78. Throughout this period, his steady guidance has offered reassurance and stability to our school.

Following a comprehensive search and discernment process, the Board selected Bob as President. As Board Chair, I have worked closely with Bob during this transition and have seen firsthand his deep experience, clear vision, and profound dedication to Ignatian education. As St. Paul's nears its centennial and continues the important work of our strategic vision, Bob is well prepared to guide our school forward.

In accepting the role, Bob Lewin shared:

"St. Paul's has been a defining part of my life and vocation. I am grateful for the Board's confidence and for the opportunity to continue serving alongside dedicated colleagues and supporters who live our Catholic, Jesuit mission each day. As we approach the centennial and look beyond it, I am inspired by all that we can continue to accomplish together in nurturing faith, leadership, and excellence in our students."

The Board is confident that Bob will continue to lead St. Paul's with purpose, integrity, and care, and we are thankful to him for embracing this call to serve. We invite our community to join us in congratulating Bob Lewin as he begins this new chapter of leadership at St. Paul's High School.

Sincerely,

Andrew Stibbard
Chair, Board of Directors
